DAY 1: Siem Reap - Ko Ker

Hidden gems of Cambodia

After a good breakfast we leave Siem Reap and drive into the Cambodian ‘outback’ to the mysterious 12th century temple of Beng Melea, one of Cambodia’s true hidden gems. Heavily overrun by trees, vines and moss, Beng Melea gives you a truly evocative insight into the majesty of the ancient temples. After lunch you will drive Koh Ker. It is a stunning and unique pyramidal temple built in 931AD. Walking in you could almost feel you were approaching a Central American Mayan sight such as Chichen Itza. Koh Ker also has a unique political history having been set up as a ‘new’ capital away from the Angkor area by Jayavarman IV. However, its importance was short lived; after the King’s death power was returned to the Angkor

area around 944 AD. A tiring climb up wooden steps to the top of the Pyramid will soon be forgotten when you take into account the breath-taking views afforded from the summit.

DAY 3: Preah Dak - Siem Reap

The floating village of Kampong Kleang

We leave our accommodation again with our vintage jeep and set out to the beautiful countryside where we will cycle along the red soil roads through the villages. It is going to be a nice and peaceful ride which is flat all throughout. We will stop by the local fish market on the way where you can observe traditional Khmer fish trade, a daily event. After cycling, we take a small break for some cool refreshment before continuing on to the next part of the trip. We then resume our journey with the visit of one of the most impressive floating villages in Cambodia, Kampong Kleang. When we arrive at the village, we will board a boat and head out in exploration of the floating village. At lunch time, we will take you to a stilt house in the village to share a typical Khmer lunch with very friendly locals. Next, we proceed to the Vietnamese floating village. This village is unlike the rest of Kampong Kleang. The Vietnamese Village is not composed of stilt houses. The houses there are built on floating objects that keeps them afloat on the Tonlé Sap. Your host family will provide a local meal and you will have the chance to experience more of this exceptional village on stilts. In the late afternoon we are back in Siem Reap.
